

Social Media Agreement

- I will ask permission from my parents before joining any social media platform.
- I will give my parents (and not anyone else) my sign-in info to all my social media accounts.
- I will set the privacy level to the most private on all my social accounts.
- I will immediately alert my parents if I ever receive any threatening or sexual messages or images.
- I will only 'friend' people I have met in real life.
- I will maintain the spiritual and academic standards set by my parents.
- I will only 'follow' people and organizations with my parents' approval.
- I will take breaks from social media at my parents' discretion.
- I will think very carefully about what I say on social media.
- I will think very carefully about the images I post of myself.
- I will think very carefully about everything I post, share, and 'like'.
- I will not download or use any software or apps that are not approved by my parents.
- I will not use social media during family time.
- My parents have my permission to check any of my social media accounts whenever they choose.
- If I do not follow these agreements, I will lose my social media privileges for as long as my parents feel it is necessary.
- I understand that my parents love me more than anything in this world, and that they have created these boundaries out of that love.
